What are the main structures you could have observed when you removed the exoskeleton of the abdomen and tell the function of each?

Crayfish Worksheet - BIOLOGY JUNCTION
Biology, while super informative and exciting to science junkies, can be a little dry. It can also be pretty intimidating. However, we’re going to look at the light side: biology jokes! We definitely need to insert humor into biology. However, not literally into our biology. That could be painful. Or gassy. We’ve scoured the web ...
