Let Melody Beattie, author of the classic *Codependent No More*, help you along your way. A guided tour past the pitfalls of recovery, *Beyond Codependency* is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next. In simple, straightforward terms, Beattie takes you into the territory beyond codependency, into the realm of recovery and relapse, family-of-origin work and relationships, surrender and spirituality. With personal stories, hard-won insights, and activities, her book teaches the lessons of dealing with shame, growing in self-esteem, overcoming deprivation, and getting past fatal attractions long enough to find relationships that work.

Offers ecumenical meditations on love, perception, forgiveness, eternal life, and theoretical concepts in theology

*Meditations* is a series of personal writings by Marcus Aurelius, Roman Emperor from 161 to 180 AD, recording his private notes to himself and ideas on Stoic philosophy

From the New York Times best-selling author of *You Can Heal Your Life* *Mirror Work* has long been Louise Hay's signature method for cultivating a deeper relationship with yourself and others, and leading a rich and meaningful life. Now, in *Mirror Work*, she shows how in just 21 days, you can master this simple but powerful practice as an ongoing support for positive transformation and self-care. "I have been teaching people how to do mirror work as long as I have been teaching affirmations . . . The most powerful affirmations are those you say out loud when you are in front of a mirror, looking deeply into your eyes. A mirror reflects back to you the feelings you have about yourself. It makes you immediately aware of where you are resisting and where you are open and flowing. It clearly shows what thoughts you will need to change if you want to have a joyous, fulfilling life." - Louise Hay

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, 'The Attributes of God' also has enough depth and meat to satisfy the more experienced reader.
