Transcontinental Railroad- HISTORY

Transcontinental Railroad. Between 1860 and 1910, the US army, wiping out the Indian villages on the Great Plains, paved the way for the railroads...The first transcontinental railroad was built with blood, sweat, politics and thievery. It takes six months to cross the American continent in 1860. To unite East and West, in 1862, President Lincoln authorises a transcontinental rail road over 3000km long.
