Enchantress Of
The Sands

Since the earliest civilizations, a connection has existed between music and the literary arts. From the Old Testament and ancient Greek poets to the great operatic masterpieces of the nineteenth century, music and words have forged an inseparable

bond. This relationship is not only seen in musical genres but in a prolific output of novels for adults and children that contain musical themes, characters, and/or settings. This book is the result of many years of research into fiction that has this musical connection. Focusing on novels mainly from the
