Making Sense: Teaching and Learning Mathematics with ...

For us, making sense of writing about learning and teaching means recognizing that it is not only a way to contribute to existing scholarly conversations but also a way to create new ones. Relatedly, it is a method for fostering the development of identities and clarifying values, and it is a medium for engaging in ongoing learning.

5 Tadesse et al.: Making sense of quality teaching and learning in higher education in Ethiopia In support of this, EQE3 said, 'Teaching is a guide [that] the teacher highlights to stimulate students for further study. Hence, learning has to be very well integrated with knowledge and practical skills.

Making sense of quality teaching and learning in higher ...
Education and Making Sense of 'Intentional Teaching' are complementary resources to support educators to further engage with the Early Years Learning Framework. The concepts of assessment and intentional teaching can be challenging to understand but are most important elements of analyzing and appreciating children's learning.

MAKING SENSE OF 'INTENTIONAL TEACHING'

Making Sense: We want only the best for students. Online lessons will end by 28 Nov. Certain elements of teaching eg interaction with students, checking student's workings and spontaneous asking of questions cannot be replicated in the virtual setting. We are excited that everyone will be moving back into physical class soon!

Making Sense: Teaching and Learning Mathematics with ...

Many Rhizo14 participants valued the metaphor of the rhizome for teaching and learning. Quoting from survey responses, participants of the Rhizo14 course thought that teaching and learning based on this metaphor is 'subconscious', 'subterranean', 'subversive', 'a non-linear, multi-directional underground web of connections'.
