BBC World Service - Outlook, The Return of the Black Death

Synopsis. If the twenty-first century seems an unlikely stage for the return of a 14th-century killer, the authors of Return of the Black Death argue that the plague, which vanquished half of Europe, has only lain dormant, waiting to emerge again--perhaps, in another form. At the heart of their chilling scenario is their contention that the plague was spread by direct human contact (not from rat fleas) and was, in fact, a virus perhaps similar to AIDS and Ebola.

Return of the Black Death: The World's Greatest Serial ...

The Return of the Black Death. With the current outbreak of the Ebola virus making it ' s rounds the last thing we want to hear is word of Black Death outbreaks but back in September of 2013, the Minister of Health issued an epidemic alert of the spread of plague across Madagascar. The outbreak itself hit some of the most remote villages in Madagascar and killed dozens of people, it is rumored that it began affecting those in overpopulated prisons due to poor waste management and medical ...

The Return of the Black Death | Documentary Heaven

The Return of the Black Death is the second recorded and first released studio album by the Norwegian unblack metal band Antestor. It was released on September 14, 1998. It is the band's only release on the British Cacophonous Records label. This album's working title was Kongsblod. Antestor recorded another album, Martyrium, prior to The Return of the Black Death, in 1994, and while bootleg versions of the recording circulated, this album did not see official release until 2000.

The Return of the Black Death - Wikipedia

Although the disease no longer causes devastation on the scale of the Black Death, the bacterium that causes it has never disappeared and human cases still appear in rural parts of the US as well...

Return of the Black Death: US man gets plague saving a ...

There is a little for everyone around here: praying exhoration songs (A sovereign fortress), songs about your death (ancient prophecy), meditation (Srog) etc. 5. As far as music goes there is epic (Ancient prophecy), viking influenced songs ala Satyricon (back in Dark Medieval times), and songs that are pure cold black metal with a more somber instead of icy atmosphere.

The Return of the Black Death: Amazon.co.uk: Music

One of the most devastating pandemics in human history, the Black Death swept through London in 1348, killing old and young, rich and poor, within days of their first symptoms.

Return of the Black Death: Secret History - what time is ...

The Black Death (also known as the Pestilence, the Great Mortality, or the Plague) was the deadliest pandemic recorded in human history. The Black Death resulted in the deaths of up to 75–200 million people in Eurasia and North Africa, peaking in Europe from 1347 to 1351. Plague, the disease, was caused by the bacterium *Yersinia pestis*.

Black Death - Wikipedia

If the twenty-first century seems an unlikely stage for the return of a 14th-century killer, the authors of Return of the Black Death argue that the plague, which vanquished half of Europe, has only lain dormant, waiting to emerge again&mdash;perhaps, in another form. At the heart of their chilling scenario is their contention that the plague was spread by direct human contact (not from rat fleas) and was, in fact, a virus perhaps similar to AIDS and Ebola.
